

THAILAND HOUSE OF HOPE

#2201

Where does the money go to?

After training at the Teen Missions Australia base in Tewantin, my team and I will be helping House of Hope (a home to 20 orphans) plant their crops for the season ahead. These crops help supplement food resources for feeding everyone. We will also get to share testimonies, dramas, and teach from the Bible in churches and with the children at House of Hope, as well as teach English in the local schools.

After training at the Teen Missions Australia base in Tewantin, my team and I will come face to face with the challenges of reaching isolated communities and get hands-on experience up on 'the cape' in Queensland.
